25. [REDACTED] LIAISON Mike Flannigan, House Permanent Select Committee on Intelligence staff, came by my office and reviewed two boxes of Pike Committee materials which had come from IC Staff holdings. He was searching for [REDACTED] (10 December 1975) Memorandum from [REDACTED] SA-D/DCI/RM, to the Field covering a report on Military Intelligence During an International Crisis [REDACTED] Given the lack of success in locating the document, I have requested that [REDACTED] of our office, attempt to acquire the document directly from IC Staff. Once acquired, I will pass the document on to Mike Flannigan for eventual passage to Diane LaVoy, of the Committee staff.

26. [REDACTED] LIAISON Dick Giza, House Permanent Select Committee on Intelligence staff, called asking for the CIA publication that was referred to in the 20 March 1978 Jack Anderson column. After checking with [REDACTED] NFAC/CSS, I told Dick that there was no such publication (on U.S. oil usage statistics and, furthermore, the figures cited in Anderson's column are inaccurate). I added that, in any event, any figures that CIA might publish on U.S. oil usage or reserves are based on Department of Energy statistics rather than our own knowledge or analysis. This fully satisfied Mr. Giza.

27. [REDACTED] LIAISON Called Thomas K. Latimer, Staff Director, House Permanent Select Committee on Intelligence, to set up the following interviews that he had requested: (1) Thursday, 23 March at 1600 hours at Headquarters with [REDACTED], Sayre Stevens and [REDACTED] all of NFAC/CSS, to discuss NFAC generally; and (2) Friday 24 March at 0930 hours at 1724 F Street, N.W., with [REDACTED] Director, NITC, to discuss NITC. These times and places were agreeable to Mr. Latimer.
